

## Inman Family Wines Fact Sheet

At Inman Family Wines, we handcraft small lots of Pinot Noir, Pinot Gris and Chardonnay. The estate wines reflect the unique imprint of our family's Olivet Grange Vineyard, located at the junction of Olivet and Piner Roads amidst some of Sonoma County's and the Russian River Valley's most respected vineyards. We are committed to quality from grape to glass – from our sensitive, organic viticultural practices to our focus on natural winemaking that result in elegant, acid driven, fine wines.

In 1999, following two years of planning, we discovered and purchased our 10.5-acre farm and we planted 7.3 acres with Pinot Noir and Pinot Gris. In 2008, we produced 210 cases of Pinot Gris and 1840 cases of Pinot Noir.
