

2022 G&T

This wine may share the name of a favorite cocktail, but this time it's Grenache and Tempranillo, another classic combination. A delicious blend of 35% Grenache and 65% Tempranillo from Two Brothers Vineyard in Clear Lake, Lake County. The grapes were fermented separately using native yeasts and blended after 17 months of barrel aging. The Grenache's red fruits and spices complement the rich, rustic Tempranillo while the sweet, new oak (30%) contributes to the opulent texture.

Appellation: Lake County

Fruit Source: Two Brothers Vineyard

Tasting Notes

Color: Ruby

Aroma: Ripe strawberries, raspberries and blackberries with a touch of cedar, nutmeg and baking spices.

Flavor: Raspberry, black cherry, plum, fig and cedar. There is a bright acidity with firm, but not overpowering tannins. Nice structure and depth with a nice balance of fruit and earthy undertones. Approachable now, but will continue to improve over the next 5-8 years.

Case Production: 134
