

2024 Whole Buncha Love

Grapes from OGV Estate Pinot Noir form the backbone of this delicious white blend at 80% while our estate-grown Pinot Gris makes up the balance. Harvested by hand at night, 100% whole clusters were picked and pressed on August 22th (Pinot Noir) and 27th (Pinot Gris). Fresh, bright, natural, tongue-tickling acidity is a foil to the juicy fruit flavors in this tasty new release.

After whole cluster pressing the Pinot Noir was settled overnight and moved to stainless steel barrels for a natural, wild yeast fermentation. The barrels were regularly stirred to increase mouthfeel and aromatics. The Pinot Gris was also whole-cluster pressed, settled and fermented in small stainless steel barrels. The two wines were brought together just prior to cross-flow filtration and bottling under Stelvin closure.

Appellation: Russian River Valley, Sonoma County

Fruit Source: Olivet Grange Vineyard

Tasting Notes

Color: Palest straw with a slight green tint

Aroma: Stone fruit, floral (honeysuckle)

Flavor: Citrus, green apple, stone fruits and hints of strawberry, wet stone and saline.

Case Production: 132
