

2024 Endless Crush® Rosé - OGV Estate

This 2024 vintage of Endless Crush® OGV was made entirely from our organically farmed Olivet Grange fruit; like that first rosés winemaker Kathleen Inman enjoyed in France, this wine is a beautiful, pale, delicate pink and is crisp and refreshing. Indeed, of all the vintages to date, this 2024 Endless Crush has the subtlety, delicacy, and vibrancy which we prize in intentional rosés.

Appellation: Russian River Valley, Sonoma County

Fruit Source: Olivet Grange Vineyard

Tasting Notes

Color: Ballet pink

Aroma: Honeysuckle, fresh cut ruby red grapefruit, orange blossom, sweet strawberry and watermelon

Flavor: The palate begins with an intense ripe fruit and sweet floral expression echoing the nose with honeysuckle, fresh cut ruby red grapefruit, orange blossom, sweet strawberry and watermelon. The wine has refreshing acidity and is completely dry. This rose is elegant yet very playful on the palate as it concludes with a dry and pleasing hint of tannin on the finish.

Winemaker Notes

The fruit was harvested by hand at night and was destemmed and left to cold soak for a few hours, then pressed on a delicate white wine cycle. The juice was moved to tank for cold settling, racked and then inoculated for primary fermentation using a Provençal yeast strain. It aged in stainless on the lees until it was prepared for bottling in February 2025.

Case Production: 451

The first time I had an elegant dry rosé wine was on a simple but romantic picnic with my husband Simon in Provence 35 years ago. Local cheese, bread, fruit, the fabulous, dramatic scenery and that Provençal wine with its delicate salmon pink color, crisp acidity and floral aromas forever linked in my mind rosé wines with romance. In 2004, I harvested Olivet Grange Pinot Noir on September 1st, which was our 20th wedding anniversary. To celebrate and mark the occasion I made a special rosé, which I called "Endless Crush."
